

PSYCHLOPS impacts

- 1) **Publications:** see separate sheet
- 2) **Website:** launched June 2007: <http://www.psychlops.org.uk>
analysis of website hits: <http://www.psychlops.org/cgi-bin/awstats.pl>
YouTube posting: <http://www.youtube.com/watch?v=EfuD0LwjVME>
- 3) **Department of Health:**
 - a. Primary Care Mental Health Outcomes Sub-Group report, Mar 2005:
 - PSYCHLOPS was one of three outcome measures recommended for use in primary care. The others were CORE-OM and FACE HRU
 - b. Outcomes Practice Group
 - This DH group produced a list of approved outcome measures (OMs) to be routinely incorporated into electronic records through Connecting for Health. The list has been compiled into the Outcomes Compendium, National Institute of Mental Health for England, 2009. It includes PSYCHLOPS:
